LETTER OF INTRODUCTION

Dear Sir,

I am the Director of SWISMEK NIG LTD. Our business is a private owned company centered on customer satisfaction. We deal in Computer hardware & software, IT equipment such as router, AVR, server etc. and Music/Studio equipment like studio monitor, sound card, audio interface, microphone preamp amongst others. We also render services like installation and networking.

It would be an honor to support you in meeting your contracting needs. Swismek stands prepared to address your objective as far as Musical and Studio equipment are concerned. We are aware of your requirement for large scale Information Technology structures with the latest materials and we are confident that our support will help you meet your needs.

We look forward to doing business with You.

Yours Sincerely,
Emeka Peters-Ibekwe

Director,
Swismek Nig Ltd.
