24th January, 2019.

The Director,  
Purchasing Department,  
Canaan Land,  
Ota.  
Dear Sir,

## LETTER OF INTRODUCTION.

Delgrace ventures International Ltd is an integrated professional services firm offering architecture, Engineering, planning, design, interiors, cost consultancy and privatized delivery of projects.

Delgrace ventures have a distinctive design approach that combines fresh ideas, which keeps timelessness in mind, a respect for history and sensitivity to local context.

We specialize on:

- \* Building materials, supply and installation of medium voltage switch gear and distribution panel.
- \* Industrial electrical installation.
- \* Procurement of building, road construction materials.
- \* Equipment for power substation.
- \* High voltage cables and line testing.
- \* Machines and plants installation.

We will be glad to have a good working relationship with your organisation.

Yours faithfully,

For: Del grace Ventures International Limited,

Oladapo Oludele,  
Managing Director.
