**LETTER OF INTRODUCTION**

We want to introduce our company, BARINERO SOLUTIONS LTD to your organisation. We are a start-up company with focus on engineering, procurement, construction and Investment. We pride ourselves in our core values of integrity, quality products and services, transparency and excellent customer satisfaction.

As part of our business operations, we will like to express our interest to work with your organisation within the scope of building construction (civil, mechanical and electrical), commodities supply and mechanical engineering.

Our organisation is driven by experienced individuals involved multiple projects worth millions of dollars and we have registered engineers and artisans who work for us on a project by project basis. Our partners and consultants are established individuals who have shown competence in their various fields.

We hope we are able to serve you now and in the nearest future. We look forward to a mutually beneficial partnership as we hope to hear from you.

Thank you.

Yours Faithfully,

BARIYEREBA PHIMIA
