ABOUT US

KENTECH ANIMATION STUDIOS was incorporated in 2008 with the Nigerian Corporate Affairs Commission under the Companies and Allied Matters Act. It commenced operations in 2009 as a young and dynamic multimedia studio with extraordinary possibilities specializing in Multimedia, Software and Application development.

KENTECH is committed to helping her clients attain a global status, by deploying the power of Information Technology to drive our objectives of showcasing the best of our solutions to the world.

VISION

"To be the foremost indigeneous multimedia studios in Africa"

OUR CORE VALUES

Team Work

Team work wins. Synergy is one of our most treasured secret of winning. At KENTECH no man is an island

Capacity Building

We believe in self development and capacity building. We go out of our way to give our staff needed skill and training

Positive Mentality

Only with positive mentality and right attitude will give you a place at KENTECH. We make our staff and client see beyond now. Imagine the unthinkable.

Excellent Service

We go out of our way to give the excellent touch in our clients work. For us excellent is not act, it's an habit.

Ingenuous Creativity

Creativity in KENTECH is unending. Everybody's view is given a thought in our project work.
