Canaanland Ota  
Ogun State.

Dear Sir/Madam,

I, Kingsely Azohor, am writing this letter from PIROOSKY SYSTEMS NETWORK VENTURES, a IT / NETWORKING TECHNICIAN company that has made entry in the market. I am writing this letter in order to introduce our company to you and educate you on the many services provided by us.

Our company specializes in IT/ Networking Service and General Supplies of various items.

After expanding, we have now decided to extend our company in. The team of engineers and developers at our firm are the best in their way, and we promise to provide timely service to our esteemed clients. Also as we both are in the same field of work, we can discuss how to go about in our scope of work coping with the latest technology and efficiency in supplying of our client request.

Should you require additional information, do not hesitate to contact us.

Please, accept your Excellency, the assurance of my highest regards.

Thanking you,

Yours sincerely.
