Dear Sir,

INTRODUCTORY LETTER

We write this letter to officially introduce our company to you as one of the biggest supplier and distributor of studio/multimedia production equipment. More so, our company is also renowned in the Information Technology field

We are privileged to be official authorized distributor of various multimedia companies including our sole distributorship of the “**WHARFEDALE**” brand in Nigeria and Ghana under our parent company “DE-CYMEKS” with a 65% control of the Nigeria musical equipment market in 2014. We are equally an authorized distributor of some international Information Technology company which deals with computers, software and IT devices.

Our experience in supply and installation of quality products is undoubted and our Just-In-Time speed of supply is unquestionable as seen in any of our previous supplies.

Thank you for your careful considerations and support.

Yours Sincerely,

Emeka Chikwuolum.
