Simply delivering your achievements, through logistics and geotechnical innovative means.

# Introduction

Hibog Logistics & Geoservices. Is an enterprise company registered in Nigeria. It is a Multi-disciplinary international company offering services that are of world class standard and highly competitively priced. Our range of services covers Governments, Individuals and Corporate Organizations.

Hibog provides specialized range of services covering every aspect of the built environment. The quality of these services is ensured by our very qualified and skilled professional personnel who apart from their academic training keep up to date with the latest development in their fields of endeavor.

## **DESIGN**

We provide design services from the initial client's briefs through to proposal, scheme planning detailed working analyses, bill of quantities, and contract documents.

## **CONSTRUCTION**

We are also involved in the construction of public and private buildings, using the most modern techniques available and we are fully equipped to execute building/Civil construction/geotechnical and logistics of any given complexity.

## **LOGISTICS & GEOSERVICES:**

Our services embrace all aspects of the project from preliminary studies through the design, investigation, construction, furnishing, completion and commissioning.

## **WATER RESOURCES ENGINEERING/CIVIL WORKS**

We provide high standard design, construction and management services with-in the water sector in the following key area.

- Flood Control / Erosion Protection
- Pipelines – large and small diameter, steel, plastic
- Boreholes – water, investigation, monitoring
- Earth Dams and Irrigation
- Water Treatment works
- Water Storage Tanks – steel, GRP, Concrete
- Bridges – Reinforced Concrete
- Highways
- Fencing and Construction

## **AFFILIATIONS:**

We are affiliated to a number of firms internationally and as well as in Nigeria.

- Doftech Engineering services  
44, First Avenue,  
Kubwa, Abuja FCT
- Bordan International Limited  
Kudirat Abiola way, Oregun  
Lagos, Nigeria
- Horeb oil & gas  
151,confluence arena  
Kogi State, Nigeria
- Fortune Technical Services INC  
By Lonstar Towers, Dry Rice Market  
Gardnersville, Monrovia, Liberia.

# **Services**

## **LOGISTICS + GEOTECHNICAL SERVICES**

Housing  
Civil Engineering  
Water Resources Engineering  
Erosion Control  
Environmental Impact Assessment  
Regional Planning  
Haulage and transportation  
Institutional Planning  
Natural Disaster Management  
Borehole Drilling  
Supply Chain Management  
Consultancy Services

## **SURVEYS + STUDIES**

Impact Assessment Studies  
Viability Appraisal  
Rural Development Studies  
Demographic + Population Studies  
Soil test investigation

## **TRAINING WORKSHOPS**

Capacity Building Workshops  
Human per-Capital development expert  
Economic Empowerment Seminars

## **LANDSCAPING SERVICES**

Recreational Park Design  
Pools and Fountains Designs
