ABOUT US

OKIVIE NIGERIA LIMITED is a wholly owned indigenous company, Incorporated under the laws of the Federal Republic of Nigeria as a limited liability company, Established **28TH April, 2010**. Focusing on providing Engineering and Procurement Services to Petroleum Industry, Government and Multilateral Agencies.

G. OKIVIE NIGERIA LIMITED corporate office is located at, **255 Effurun/Sapele Road, Beside Oceanic Bank Effurun**

MISSION STATEMENT

To be a world leading provider of services to the petroleum and allied industries through relentless effort at consistently meeting and exceeding customers expectation of quality and value, relying on innovative and sound engineering, operational and management practices.

CORE VALUES

G. OKIVIE NIGERIA LIMITED Prides Itself in the Following Core Values:

- Professionalism
- Selfless Service
- Respect for the Individual
- Integrity
- Environmental Stewardship

WORKING CONDITIONS/SAFETY POLICY

WORKING CONDITION

For better administration, G. OKIVIE NIGERIA LIMITED considers no aspect of its operations as being of greater importance than SAFETY AT WORK. It also recognizes that the implementation of an effective safety and health policy requires the collective and co-ordinated effort of management and operational staff.

Our Community, Health, Safety, Environmental, Security Policy is in compliance with the working policy of the Oil & Gas industry. Our Community, Health, Safety, Environmental and Security policy is attached.

COMMUNITY RELATIONS

From experience the need of a host community can no longer be ignored. The Directors of the company being indigenes from the major oil producing communities of the Niger Delta, are full aware of this. Within the limits of the company's resources, G. OKIVIE NIGERIA LIMITED considers meeting such needs as one reliable and effective means of managing community hostility.

The company gives fair assistance to host communities in terms of:

Work in partnership with host communities on community development projects in line with standard safety procedure.

In achieving our objectives with the host communities, the following are observed:

- Establish and maintain close relationship with all segment of the local population to better understand their concerns, needs and aspirations.
- Continuously assess and evaluate the social and economic impact of all business activities and take preventive measure.
- Respond to formal community demand in an appropriate and timely manner.
- Be sensitive to the needs of communities
- Bring issues affecting host communities to the attention of appropriate authorities for assistance.
- Manage the settlement of compensation for land acquired for company's operations and damages in a fair, accountable and good manner and in accordance with statutory provision and approved procedures.
- Employment (For skilled and unskilled persons)
- Provision or improvement of basic infrastructure and facilities
- Manpower, economic, social, cultural and sports development.

SECURITY POLICY

Security Affairs shall remain an integral aspect of G. OKIVIE NIGERIA LIMITED policy. Theft, conversion, misappropriation or unauthorized removal, possession or without due authority use of G. OKIVIE property, including, but not limited to

materials, facilities, tools, equipment, documents and proprietary information or any items of property of other employees or customers/clients is prohibited.

To this effect G. OKIVIE shall engage the services of trained security personnel to man her jobsites and facilities. To augment the Company's security outfit, licensed professional security organizations may be engaged by G. OKIVIE management to ensure wider security coverage.

Where serious threat to lives and properties exist G. OKIVIE shall seek and engaged the services of the Nigeria Police Force to maintain law and order. Such circumstances include case of mob attacks, serious community attack, piracy and armed robbery. Where necessary, G. OKIVIE shall provide torches, communication gadgets, batons and other security equipment to enhance the performance of the security personnel.

Only authorized government Law Enforcement Agents shall be allowed to carry arms with the Company facilities. Strict access control policy and the wearing of I.D. cards shall be enforced on all jobsites and company facilities. Security officers are by this policy empowered to arrest and report any violators of this policy and persons constituting a threat to lives and properties to the management. Such persons so arrested shall be expelled from the Company facilities and handed over to the Nigeria Police for prosecution.

CASHES POLICY

It is G. OKIVIE NIGERIA LIMITED belief that good cashes performance is an integral part of any efficient activity.

G. OKIVIE NIGERIA LIMITED shall therefore strive to ensure that the health, safety, security and environment of her employees and third parties are safeguarded throughout her operations.

Activities shall be organized, planned and executed in such a manner as to avoid injuries to employees and persons who are either involved in her activities or may be affected.

In G. OKIVIE, cashes is a line responsibility. Every employee shall be held accountable in the implementation of this policy. Every employee shall be held accountable in the accordance with the policy. Every employee is empowered to suspend a job when it is believed that essential safety systems are not in place.

G. OKIVIE NIGERIA LIMITED shall encourage and support employees to ensure that they take reasonable care of their safety and that of others who may be affected by their activities.

G. OKIVIE shall work with Government organs/departments, corporate and professional bodies to ensure improvement of her CASH policy. The Company shall be committed to work within the confines of government policy and regulations.

Appropriate training of all employees and contractors to G. OKIVIE NIGERIA LIMITED shall be sustained to ensure that all required Cashes procedures are followed. Any contractor employee working for or on behalf of G. OKIVIE will be

required to the policy standards of G. OKIVIE NIGERIA LIMITED senior management staff under delegated control of the Managing Director.

DRUG AND ALCOHOL POLICY

Possession and/or use of illicit narcotics and related materials/products, drugs other than prescription drugs and alcohol on any G. OKIVIE NIGERIA LIMITED property or premises are prohibited.

Any persons or employees found using or in possession of such drugs and alcohol within G. OKIVIE NIGERIA LIMITED facility, property or location under the Management of G. OKIVIE will be immediately removed from the site and have his/her appointment terminated.

To enforce these policy periodic searches on employees shall be carried out with regular through screening of personal effects and property on the company job site conducted without prior notice. This will be carried out with or without the individuals shall be disallowed into Company premises/facility. Where Alcohol or drug intake is suspected the individual will be required to submit to periodic alcohol and drug test.

An employee shall have his/her appointment terminated if positive results are obtained as his/her continued stay may endanger the safety of lives and properties. The only exception to this policy shall be for properly reported prescription drugs duly prescribed by a licensed physician as medication for use by the person possessing such substance.

This policy is formulated to ensure a safe working environment. All employees and visitors are advised to adhere strictly to the policy and report any violation to the Management.

HEALTH, SAFETY AND ENVIRONMENT

G. OKIVIE NIGERIA LIMITED is dedicated to quality and safety of its personnel. The company's (HSE) policy, aims at ensuring that its services are delivered in a manner that is safe and not detrimental to the health of our staff and environment.

Our quality focus ensures that our services are of a consistent levels meeting the agreed requirement of our customers, as well as meeting up to both national and international industrial codes and standards.

The Company believes in the concept of total quality, safety protection of the environment and satisfaction of customers, suppliers, employees, and general public working together to pursue the policy and the continual re-engineering of the process of quality and safety improvement.

The objective of the quality and safety management system is to aim to achieve customer total satisfaction by consistently meeting their requirements without compromising the safety, and health of any of our stakeholders.

Each arm of the Company's business has a quality and safety champion who is saddled with the responsibility of reporting deviation from set standard in order to ensure compliance.
