Dear Sir,

#### VALUE ADDED TAX IDENTIFICATION NUMBER (TIN)

The receipt of your completed VAT Registration Form is hereby acknowledged. Be it known that your VAT Identification Number as a registered VATable person/collection Agent is 11514285-0001

You are to always quote this number in your correspondences with this office, as well as reflecting it on your invoices.

Note that VAT returns are rendered on or before the 21<sup>st</sup> of the month following when VATable transactions occurred. Failure to submit returns to the Board makes one liable to pay a fine of ₦5,000 every month in which the default continues.

Please be adequately guided by this.

Thank you for your maximum cooperation.

Yours faithfully
