

## **INTRODUCTION**

Sam-Feb Enterprises is a company that provides all inclusive services. We are into janitorial services, electrical services and mechanical contracts. The company was formed in 2008 with the aim of providing dry cleaning, general cleaning, general merchandize & contracts.

## **SUPPLIES**

We pride ourselves as a supplier of tyres and batteries and general cleaning. We operate from our offices in Abeokuta and Ota respectively.

In Sam-Feb, our core business areas include:

- ❖ Tyre Supply and Consultancy
- ❖ Battery Supply and Consultancy
- ❖ General Cleaning & Dry Cleaning
- ❖ Electrical Works

## **OUR PEOPLE**

With staffs and a diverse mix of cognate expertise and wealth of experience.

The company is led by Oyayomi Olufemi whose wide experience is in the field of cleaning with over 10yrs. Besides being an janitorial officer, he is an active member of Living Faith Church, an ordained deacon, a sanctuary keeper and a teen-church teacher.

Oyayomi Olubukola is an accountant with years of experience in the Tyre Industry; where she has served as support service officer for different tyre companies giving advice on different brands and the usage of the tyres with WTI, durability and lots more including Batteries that are imported by the company that she worked with to customers, dealers and many others.

Babatunde Olufemi is a trained engineer, who has wealth of experience in electrical, welding and fabrication engineering. He is the Managing Director and the contact person for the company.

## **VALUE**

Integrity, Service and Quality

## **EDGE**

At Sam-Feb, our fortress is that we ensure that we give quality and best services to specification with affordable prices and timeliness.
