Dear Sir,

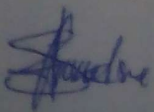

It is with much enthusiasm that I am writing to recommend the services of the Love Butterflies Enterprise.

I have been using Love Butterflies Enterprise to consult and equally give us the right link of supply in the construction of our family house in the last two years and we are always being satisfied with their performance.

They do an excellent job, especially the arrow head of Love Butterflies, Ms. Loveth whom I know for the past five years as dedicated and trustworthy individual who is goal getter oriented personality. I sincerely believe Love Butterflies will deliver on their services to your organization without fault.

If you have any questions, please feel free to contact me.

Sincerely,

Ebenezer Awodire
