COMPANY'S PROFILE

ABOUT US

Prefix Smartnet - a duly registered indigenous service provider in Nigeria, offers professional services in office equipment and office automation services; including production printing, document management and maintenance/repair services for printers and photocopier machines. We provide sales, deployment, installation and after-sales support services of office equipment such as; printers, copiers, multi-functionals, and the supply of genuine spare parts and consumables such as; toner/ ink cartridges and office stationeries.

Although, it started business operations in 2010, it was incorporated in 2016 with the Corporate Affairs Commission for the purpose of the aforementioned services.

Over the years, Prefix Smartnet has recorded progressive growth in all aspects of her business operations with excellent customer service experience and has stayed ahead of the trends. It is committed to providing premium quality services to its customers.

Our philosophy of providing the most reliable, cost-effective, innovative and flexible solutions in the industries is propelling us to reach a leading position in the market for information technology and office automation services in all key sectors of the economy.

Prefix Smartnet has always strived to provide the best and most innovative solutions, developing our business and never standing still. Although, we are confident in our competences, we are not averse to new ideas from our esteemed customers and partners; and therefore, we are always open to practical and useful suggestions and/or advice.

Prefix Smartnet is proud of her team. Our dedication to quality and commitment to delivering value through professional services within budget, time and low risk, make us your preferred partner.

PRODUCTS AND SERVICES

1. SALES OF PRINTERS, PHOTOCOPIERS AND MULTIFUNCTIONAL PRINTERS (ALL-IN-ONE: PRINT, COPY AND SCAN).

We offer various models, ranging from low speed desktop (small) printers to high speed large multifunctional printers (MFP's), copiers and large format plotters; different models of monochrome and Colour machines of HP, SHARP and RICOH products. Depending on your business need, we offer you the products that best meet your business demand. We ensure that our customers are satisfied with the products, with attractive pricing and flexible payment plans that include; pay on delivery and partial payment (instalment).

We also provide free training for the users of these products in order to operate and use the machines effectively and conveniently.

2. SUPPLY OF GENUINE/ ORIGINAL TONER AND INK CARTRIDGES, SPARE PARTS AND OTHER CONSUMABLES FOR PRINTING/ COPYING MACHINES AND OFFICE STATIONERIES.

Prefix Smartnet already has the strategy relationship and direct access to the manufacturers for the supply of genuine (original) products - ink and toner cartridges, consumables, spare parts and office stationeries such as; reams of papers and pins.

3. REPAIR/ MAINTENANCE SERVICES OF PHOTOCOPIERS, MULTI-FUNCTIONAL PRINTERS (MFP'S) AND LARGE FORMAT PLOTTERS OF HP, SHARP, RICOH, KYOCERA, XEROX AND CANON

Whether you have an old printer/copier that needs repair or a functional one that requires preventive maintenance, we provide services for any model of printers, photocopier, MFP's and wide format plotters; including installation/ configuration, user authentication codes and after sales services. For colour or black/white machines, we have got experienced and trained engineers and technicians for any copier or printer repair services to keep the machines in good condition and working order. We provide excellent preventive and corrective maintenance services of these machines for our clients. Our maintenance team is readily available, on-call basis, to provide on time and all times service availability to our customers even on weekend and public holidays.
