FURNJTURE ESSENTJALS & JNTERJORS LTD.

INTRODUCTION

- * Furniture Essentials & Interiors Ltd. (FE&IL), was founded in Lagos in 2008. FE&IL was established after months of market research in the furniture industry. It came to our attention that most local furniture retail stores sell low budget and/or poor quality imported furniture at ridiculously high prices. Compared to other cheaper/imported products, we strive to provide quality products at affordable prices.
- * Our primary business is to supply corporate and select residential clients with all forms and styles of hand-made & industrial furniture, cabinetry, customized furniture, architectural woodwork, blinds, and integrated interior projects, including consultancies.

INTRODUCTION (Contd.)

- * Since inception, FE&IL has supplied quality custom furniture that are good looking, strong, and durable, for corporate and select residential clients garnering the respect of clients nationwide.
- * Completing over 400 projects across 25 states for clients, FE&IL has mastered all forms of furniture making from executive office tables & chairs, banquet halls furnishings, to fabric, PVC, & venetian blinds, and library furniture.

INTRODUCTION (Contd.)

- * Consisting of a team of dedicated and committed people, FE&IL has built an unequaled reputation for excellence. The company is known for its complex veneered and inlaid furniture, which spans a spectrum of periods and styles.
- * FE&IL actively takes part in furniture making (where locally produced) while also directing the work of installation. Each project is managed on a daily basis by meetings between all team members. We routinely receive compliments from our clients with respect to our professionalism and delivery.
